

Pond**GUARD**®

Water Conditioner For Ponds & Water Gardens

- Reduces Stress
- Promotes Healing & Slime Coat
- Detoxifies Heavy Metals
- Promotes Nitrification
- pH Balanced

Fritz Pond Guard neutralizes toxic chlorine, chloramines and heavy metals found in well or tap water. Pond Guard also reduces fish stress and promotes healing, with Aloe Vera, Vitamin E, and necessary electrolytes. Pond Guard provides a replacement slime coat to aid fish that are stressed, making it ideal for calming fish during transport. Enjoy all the features of FritzGuard in a new concentrated formulation of our water conditioner, specifically for ponds.

Dosage / Instructions:

Use 1 cap (1tsp/5ml) per 20 U.S. Gallons (75 L). Each cup treats 960 gallons. For best results, add FritzGuard to tap water before adding water to pond. Dosage can be safely increased or repeated up to 5x.
